

10th October 2017

Dear Parents/Guardians

Geography Field Week – Snowdonia 2018

As there are a sufficient number of students who wish to go on the residential field course in March 2018, I have confirmed the provisional booking for your son/daughter at the Rhyd-y-Creiau Field Studies Centre in Betws-y-coed, Snowdonia for the **week of 16th - 23th March 2018**. We are now required to provide student numbers and pay a deposit for each student to the Field Studies Council.

Please can you pay the **non-refundable deposit of £75 by 20th October** which is now available on 'Joinos' and I would remind you that once this deposit is paid, it is non-refundable should your son/daughter subsequently decide not to attend. The balance of approximately £525 will be payable in two instalments, due in December and at the beginning of February. We are unable to confirm the final cost until the next year's train fares are announced at the beginning of January. However, last year's trip cost £584 and we expect it to be similar or slightly more depending on the fare increase. Should financial difficulties preclude your contribution please write in confidence to the School Business Manager, Mrs Clare Morey (cmorey@judd.kent.sch.uk), as we do have the Lawrence Atwell Fund for use in certain cases.

Yours sincerely

M C Yarham
Head of Geography
