

13<sup>th</sup> October 2017

## Year 7 Geography Fieldwork

Dear Parents,

As part of Geography in the National Curriculum, the Geography Department has organised an afternoon of local fieldwork for Year 7 in the week of Monday 30<sup>th</sup> October, immediately following the October half-term. The classes are scheduled to participate in the fieldwork activities on the following days:

- Monday 30<sup>th</sup> October: **7B + 7M**
- Tuesday 31<sup>st</sup> October: **7E + 7S**
- Thursday 2<sup>nd</sup> November: **7R + 7T**

The fieldwork will take place in the Tonbridge area and will not involve any travelling expenses. It will take place entirely in school time.

The activities will include observation, sketching, map work and data collection (a traffic and pedestrian count plus short questionnaire). Boys will need to bring a clipboard but no other specialist equipment is required for this work. All boys should be prepared to work in bad weather, should it occur.

Yours sincerely,

M C Yarham  
Head of Geography
