

30th October 2018

Dear Parents/Guardians

Year 8 Ashdown Forest Geography Fieldwork

As part of the Year 8 Geography curriculum, your son will be taking part in some Ecosystems fieldwork activities on the Ashdown Forest on the dates below:

- Tuesday 20th November: 8R and 8T
- Wednesday 21st November: 8E and 8S
- Friday 23rd November: 8B and 8M

Your son will need to bring a packed lunch, clipboard, something to write with and a plastic bag in which to put his clipboard, in the event of rain. He should wear warm clothing (layers), and it is **essential** that he brings waterproofs. Wellington boots or walking shoes are advisable, as the area can be muddy. He should also carry any essential medication that he would usually bring to school.

I am pleased to be able to inform you that as the school recognises fieldwork completed within the school day as a compulsory part of the Geography curriculum, the costs of transport by coach will be covered by the school and consequently there is no cost to parents for this trip.

Yours sincerely

M C Yarham
Head of Geography
