

Directions to The Judd School off-site sports fields (Vizards)

Nearest post code to the site is TN11 9BB (for Haysden Country Park).

From the school site

Drive west past the school on your right hand side along Brook Street towards Penshurst. Take the second turning on your right, following the brown sign for Haysden Country Park and Lower Haysden, into Lower Haysden Lane. Travel down this road for about 400m and the entrance to the car park is on your right, sign posted "Vizards".

There are 60 parking spaces for cars, however it is a condition of planning that there is **strictly no parking for coaches**. Coaches can either drop students at the main school site (parking in the lay-by outside) or can turn down towards Haysden Country Park as for cars but instead of heading towards the west turn back on itself and allow students to leave the coach outside the pedestrian footpath, also signposted, and they can walk to the pitches.

We respectfully ask that drivers park sensibly and do not block other vehicles in or obstruct the emergency vehicle access.

Cars are parked at their owners' risk.

Please note there is some parking available for the public in Haysden Country Park (currently costing £1 for 3 hours).

If all parking is full, please park at the main school site and walk to the pitches. A footpath for school use is available on the right hand side as you enter Lower Haysden Lane and signposted to Vizards. This footpath is not for public use and is strictly for school users only. This is again a condition of access to the pitches and we politely ask that this is adhered to at all times.

Parking is not allowed on the roadside or the verges in Lower Haysden Lane.

Litter should be taken home or deposited in the bins provided.

Dogs are not allowed at any time.

Some limited toilet facilities are available at Vizards.

Leaving Vizards

When departing from Vizards we strongly advise that you return the way you came ie back towards Tonbridge towards the east. Lower Haysden Lane gets very narrow and turning out onto the Penshurst road (Upper Haysden Lane) can be quite dangerous and is not recommended.
