

Pupil Premium

Information for parents

Pupil Premium

Support for pupils in receipt of Pupil Premium at The Judd School is intended to provide both pastoral and academic enrichment. We will aim to develop their cultural capital, enhance school experience, aid their academic journey and narrow gaps which may arise between this cohort of learners and the wider school community.

Admissions

The admissions policy details how school places are allocated. Each year, up to 5 places are made available for those who are grammar assessed and are eligible for free school meals and/or in receipt of Pupil Premium, but who would not otherwise receive an offer. Further details are available in our admissions policy and parents are advised to complete the Supplementary Information Form (SIF) at the time of application.

Main support

The main source of support is the Learning Support Mentor, who meets with students at least twice a term to check on their wellbeing and academic progress. Those in greater need will get more support.

Extra support for students

- School uniform - parents of new students will receive a voucher to take to Simmonds to pay for school branded items
- Parents of existing students will receive a voucher upon request to replace items
